

Be a Zookeeper for a day at...

Pine Grove Zoo's Day Camps!

How do you weigh a bobcat?

What is a tiger's favorite toy?

How much does a black bear eat?

Find out the answers to these questions and learn more about animals and zoo keeping during Pine Grove Zoo's Day Camps this summer. Both camps will go behind-the-scenes for a hands-on look at the daily care of our animals and the zoo's training and enrichment programs.

This year's camps will focus on different aspects of animal care for campers of different ages:

Junior Zookeeper Day Camp

(ages 9-12)

June 16, 2018 9:00-2:00

\$60.00 (\$55.00 for members)

To care for animals in captivity, a zookeeper needs to know how their animals survive in the wild. Junior Zookeepers will learn about amazing animal adaptations by assisting keepers in the petting stable, examining animal artifacts, and playing games!

Zookeeper Apprentice Day Camp

(ages 13-15)

July 14, 2018 9:00-2:00

\$60.00 (\$55.00 for members)

Go beyond the basics of animal care and delve into the different ways zookeepers make sure every animal is happy and healthy. Zookeeper Apprentices will conduct animal observations, design their own exhibits, and learn how zoos are participating in conservation!
