**Youth, please read carefully before signing and applying!**

I understand that Zoo Crew members are scheduled approximately one to three shifts per week during the months of April to October, which may include weekends, evenings, and special events. The Zoo will work around my other activities/obligations as much as possible; however, **I should not apply if I do not have the time or desire to dedicate 110% effort to the zoo.** I understand that Zoo Crew requires I attend a mandatory training in April 2024. In addition, a lot of training will occur “on-the-job”, and I must be willing and able to take instructions and work hard to be better and better each shift. I also understand that Zoo Crew is an educational volunteer experience and a fee of \$65 +tax (\$70.20) is required. (The money will be used for uniform shirts, orientation materials and processing fees. Do not send money now, you will be contacted by the Education Coordinator for an interview). I understand that after all interviews have been completed only **4** Zoo Crew members will be accepted into the program. I understand that I will be helping with education classes, Camp programs, outreach, special events, zookeeping, cleaning, assisting Zookeepers with tasks, and other duties as assigned. I understand that failure to follow the rules may result in losing my position on Zoo Crew.
